About IndigoVision

IndigoVision is a leader in the design and supply of high performance, highly-intelligent video security systems for security installations of differing sizes and complexity. From video capture and transmission to analysis and storage, IndigoVision’s networked video security systems provide the best quality and most secure video evidence, using market leading compression technology to minimise bandwidth and reduce storage costs.

IndigoVision’s technology is ideally suited for use in mission critical facilities such as government, oil and gas, transport, cities, industry, education, police, prisons and casinos to improve public safety, protect assets, develop organisations’ operational efficiency and support law enforcement.

IndigoVision has sales and support teams in 23 countries and operates through 18 regional centres, in Edinburgh, London, Paris, Amsterdam, Dusseldorf, Johannesburg, Dubai, Mumbai, Singapore, Macau, Shanghai, Sydney, Mexico City, Toronto, Bogotá, New Jersey, Buenos Aires and Sao Paulo. IndigoVision partners with a network of some 1,000 trained and authorised IndigoVision resellers to provide local system design, installation and servicing to IndigoVision’s system users.
