IndigoVision Group plc

PDMR Appointment

Further to the Interim Results announcement of 22 September 2017, IndigoVision is pleased to confirm that the Company has appointed Pedro Simoes as Senior Vice President Global Sales with immediate effect. Pedro will be responsible for the direction and management of all global sales and marketing activities and for driving the Company's global revenue.

Pedro is an experienced global sales leader in the security industry. Prior to joining IndigoVision, he spent nearly six years with Avigilon Corporation (TSX: AVO) in a number of senior sales positions, latterly as Senior Vice President Global Sales.

Marcus Kneen, CEO of IndigoVision, said: "These are exciting times for IndigoVision. In line with the Company's strategy, we have recently released a number of innovative new products which clearly differentiate IndigoVision in the market. During 2017, we have made a significant investment in the sales organisation, particularly in North America, and I am delighted to welcome Pedro Simoes to the team. He has excellent sector experience and his global sales leadership skills put IndigoVision in a strong position."

Pedro Simoes commented "It is a great privilege to be asked to lead IndigoVision's global sales organisation. The global security environment presents institutions with complex new risks and I am confident that IndigoVision's experience and innovative technology is just what customers are looking for."
