

29 March 2019

IndigoVision Group plc ("IndigoVision", the "Company" or the "Group")

Appointment of Non-Executive Director

IndigoVision is pleased to announce that Vikki Macleod has been appointed to the Board of the Company as a Non-Executive Director with effect from 29 March 2019.

Victoria ('Vikki') Macleod, 47, has broad experience leading businesses in the private, public and not-for-profit sectors across the retail, technology, financial services, hospitality and marketing industries in Europe, USA and Southern Asia. She is currently a non-executive director of Zonal Retail Data Systems, providing strategic and operational support and acts as an adviser to a number of start-up and fledging businesses.

Pedro Simoes, CEO, commented:

"I am delighted that Vikki has agreed to join the IndigoVision Board. With her near 30-year career rooted in software, data and digital transformation, she will provide valuable support and challenge to the Board and to our product development teams in particular. I look forward to working with Vikki as we continue to develop more innovative products and grow our business".

About IndigoVision

IndigoVision is a leader in the design and supply of high performance, highly-intelligent video security systems for security installations of differing sizes and complexity. From video capture and transmission to analysis and storage, IndigoVision's networked video security systems provide the best quality and most secure video evidence, using market leading compression technology to minimise bandwidth and reduce storage costs.

IndigoVision's technology is ideally suited for use in mission critical facilities such as government, oil and gas, transport, cities, industry, education, police, prisons and casinos to improve public safety, protect assets, develop organisations' operational efficiency and support law enforcement.

IndigoVision has sales and support teams in 23 countries and operates through regional centres, in Edinburgh, London, Paris, Amsterdam, Dusseldorf, Johannesburg, Dubai, Mumbai, Singapore, Macau, Shanghai, Sydney, Mexico City, Toronto, Bogotá, New Jersey and Sao Paulo. IndigoVision partners with a network of some 1,200 trained and authorised IndigoVision resellers to provide local system design, installation and servicing to IndigoVision's system users.
