About IndigoVision

IndigoVision is a leader in the design and manufacture of high performance, intelligent video security systems for large scale and complex security installations. From video capture and transmission to analysis and storage, IndigoVision networked video security systems provide the best quality and most secure video evidence, and use market leading compression technology to minimise network bandwidth usage and reduce storage costs.

IndigoVision’s technology is ideally suited for use in mission critical facilities such as government, oil and gas, transport, cities, industry, education, police, prisons and casinos to improve public safety, protect assets, develop organisations’ operational efficiency and support law enforcement.

IndigoVision has sales and support teams in 22 countries and operates through 18 regional centres, in Edinburgh, London, Paris, Amsterdam, Dusseldorf, Johannesburg, Dubai, Mumbai, Singapore, Macau, Shanghai, Sydney, Mexico City, Toronto, Bogotá, New Jersey, Buenos Aires and Sao Paulo. IndigoVision partners with a network of some 600 trained and authorised IndigoVision resellers to provide local system design, installation and servicing to IndigoVision’s system users.
